Dear Parents/Carers,

Easter Raffle

I am astounded at how many Easter eggs were donated and the amount of raffle tickets sold. I can't say thank you enough – you are a wonderful school community.

Parents Club

Now that Covid has settled, we are able to get Parents Club up and running again. With Mother's Day fast approaching, thoughts go to a Mother's Day stall. If you have any thoughts, or would like to help out, please contact Rowena Hall. There is no pressure to do anything over the school holidays; I'm just putting the idea out there.

Rowena's details are:

Facebook: Row Ena

Email: mynewlife@live.com.au

Rowena is more than happy for anyone to inbox her on Facebook or email.

Thanks Rowena for taking this on. Next term we will begin our regular meetings again. I'll let you know more about this once it is finalised.

Social Worker and School Nurse

Our wonderful social worker Claire Robinson has picked up a full time job elsewhere. We thank Claire for the work she did during this term.

I am excited to say that we have appointed a new social worker to work alongside Jacqui Johns in the Wellbeing team. Lachlan Davey will begin after the holidays. Lachlan will be working three days a week. He will be working with us on Mondays, Wednesdays and Thursdays.

We also have a school nurse joining the Wellbeing team. Melissa Wangman will be working at school two days a week, starting early next term. Melissa will be here to assist parents with referrals to doctors, assist with medical issues eg incontinence, and many other things that will develop along the way.

I will let you know once Melissa starts what days she is working and how you can contact Melissa.

I am excited to have two new staff members joining our Wellbeing team. We have several students who will really benefit from this and many others who will access them from time to time.

Grade Two 2020 Sleepover

I haven't forgotten that our Grade 2s from last year haven't had their sleepover at school yet. School Council approved the sleepover to happen on April 29th. I will send more information out in the first week of next term. At this stage, add the date in your calendar and look forward to the constant talk about it (I haven't told them yet – you can have that pleasure).

This year's Grade Two sleepover will happen in Term 4, when it normally is. I will let you know about this much later in the year.

Enjoy the holidays

As I have been saying for a few weeks, this has been a long term. Our students (and teachers) are tired and are reacting to issues a little more emotionally than they normally would.

Have a wonderful time enjoying the company of your child over the holidays. For those families where Easter Bunny visits – I hope the chocolate is tasty. We have some very excited students, especially the younger ones, looking forward to his 'visit'.

School will be back again on April 19th.

Thanks for all your support over the past term.

Chris

Student Absences

Regular attendance at school is very important for your child's learning and social development. Of course, sometimes children are sick and need to stay home to get well - and that's OK! But other than that, children need to be at school as much as possible to ensure the BEST opportunity for learning. If your child is absent please enter their absence via the Compass parent portal or alternatively call the school on 51271448 as soon as possible.

**We'd like to wish all our of amazing Newbees a very

One of our lovely neighbours approached us asking if we would become a collection point for Bread Tags for Wheelchairs. We thought this would be a great idea for a worthy cause because we all go through a lot of bread.

A box will be located at the office for anyone wanting to contribute. It will take some time to fill up the box but we're sure that by the end of the year we'll have plenty to send away.

Thank you.

BREAD TAGS FOR WHEELCHAIRS

Please save your bread tags - they will be recycled to fund wheelchairs in South Africa.

We collect bread tags Australia-wide, and recycle these in Robe, SA. All funds raised through recycling are used to supply wheelchairs in South Africa.

Re-made in Robe!

What can I do?

It's easy save your bread tags for a while and then drop them off at one of our collection points. Ask your family, friends, school and local café to help.

Visit our website for signage, to find your nearest collection point, or to host a collection point.
