POLICY

1. School profile

Newborough Primary School is a vibrant and welcoming school that attracts students from Newborough and surrounds. The school was opened in 1949 and has a current enrolment of 120 students. We have a high quality-learning infrastructure and a broad teaching program that includes Physical Education, Art and Environmental Studies.

Newborough Primary School is a School-Wide Positive Behaviour Support (SWPBS) school and our school values of “Be Safe” “Be Respectful” and “Be a Learner” are embedded in all that we do at school. Our students learn to enact these values at school and in the local community. We are sure they will be model citizens in years to come.

Newborough Primary students know that to be successful learner they need to have a growth mindset and be prepared to enter the “learning pit”: true learning occurs after a struggle that can include failure or multiple failures. We celebrate our learning with exhibitions and individual and class based rewards.

Our school also has a well-developed student leadership program that includes School Captains, “Newbee” leaders and house leaders with activities occurring throughout the year that the students lead and organise.

Like other parts of the developed world, the Latrobe Valley is a community in transition so it is important that we prepare all of the learners for a changing world and an uncertain future. Consequently, along with literacy and numeracy, our school curriculum guarantees the teaching and learning of the following skills:

- Creativity and innovation
- Critical thinking and problem solving
- Communication and collaboration
- Using technology and media safely and effectively

In short, our goal is for our students to be motivated learners who value themselves and their community, and have the knowledge, skills and attitudes that will see them thrive in all their endeavours.

2. School values, philosophy and vision

Newborough Primary School’s Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of be safe, be respectful and be a learner at every opportunity.

Our school’s vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

Our Statement of Values is available online at:
