# NEWBOROUGH PRIMARY SCHOOL

A School Wide Positive Behaviour and  
Respectful Relationships School

Hi to the parents and carers of students at Newborough Primary School.

As you may have heard, Tim Delany is moving on to another position and I have been appointed the Principal for the remainder of this year starting next week.

I feel both honored and excited by this new role, as it is a big change from working in a large secondary school.

Having visited the school last week and again for the assembly this morning, I have found the staff and the students to be very welcoming and I look forward to working in this environment where everyone treats each other like one big family. The involvement of the students and the parents in the assembly was very refreshing and it was good to see students being acknowledged for displaying the PBS values and receiving 'Newbee' tickets and certificates.

I also had the chance to meet a number of parents this morning who were organising the Harvest Festival for Saturday 19 May. This will be a great opportunity for the whole school community to come together for the benefit of the school and the students so I encourage everyone to get involved.

I look forward to working with everyone throughout the year so feel free to drop into Monday morning assemblies and then even staying for a chat.

Richard Dungey

## Attendance

This year we would really like to see all children at school every day unless they are legitimately ill. If your child is away due to illness, please let us know on 5127 1448. We do need to provide a reason for why each child is away so if you can let us know at your earliest convenience that would be much appreciated.

As we have changed from Sentral to Compass this year, we no longer have the ability to receive text notifications regarding absences. However, you can add an approval to your child's absence on Compass (you may need to follow the link to the browser to have this capability).

**Congratulations to all of our students who competed in the 1500m at Joe Carmody Track today. You all showed an incredible amount of resilience and represented our school with pride.**

Congratulation to Maddie and Bayley who are both progressing to the next round and to Shakira and Brooke who also placed highly and will progress as alternates.
