Attendance

This year we would really like to see
all children at school every day un-
less they are legitimately ill. If your
child is away due to illness, please
contact the school on 5127 1448.

We do need to provide a reason
why each child is away so please let
us know as soon as possible.

You can add an approval to your
child's absence on Compass. Here is
the link: [https://newboroughps-
vic.compass.education](https://newboroughps-vic.compass.education)

**If you receive a SMS regarding your
child's absence, you can now click
on the link provided in the SMS and
provide a reason straight away.**

Hello NPS,

This week, grade 3, 4, 5 and 6 students went to
visit the Melbourne Museum on Tuesday,
Wednesday and Thursday. This was a great ex-
perience for the students who were very excit-
ed and fully engaged the whole time they were
there. There was so much to see and do and
the students displayed excellent behaviour
while they were there. Thanks to Ms Delpirou
to organising this experience.

Next week, all students at Newborough Primary
will all have the opportunity to visit the Life Ed
van on Tuesday and Wednesday. This will be
located at the school. As well as this, it is Book
Week. On Thursday, students will have the op-
portunity to look at a selection of books that
will be available for order on the following day.
To conclude Book Week, on Friday 24th it is
DRESS UP Day. Students are encouraged to
dress up as their favourite book character. The
day will start with an assembly at 8.45am where
students can parade their costume and then
listen to a book reading. Parents are welcome
to come and watch.

Have a great weekend,

Richard Dungey

ing at 1:00pm.**

Grade 1/2K

Gender Equity

In our classroom this term we have been learning all about gender equity and what the differences and benefits of a mixed gender groups are. The student have made their own observations but there seems to be a bit of a theme....can you see the theme with what many of them think?

What is gender equity in the classroom?

- *Is when boys and girls sit next to each other because we are all the same. Lexi.
- *At snack time we sit in mixed gender groups, which is boy, girl, boy, girl... Bailey.

What is different since we have made our classroom gender equitable?

- *We don't talk that much when we we're meant to be working. We get in our learning bubble easier when we are working. Angel.
- *People are looking at their work more instead of copying and talking. Hamish.

What do you like about gender equity?

- *I like that when I sit next to girls I can concentrate more. Tyrone.
- *We can concentrate better and we don't talk as much. Lara.
- *We can work together and we can help each other with new ideas. Cephas.
- *We don't get distracted and it just feels good. Brianna.

How does a mixed gender classroom feel?

- *It feels happy because I don't talk as much about what we're going to play. Sienna.
- *Makes me feel happy because I can concentrate and I don't get distracted and
- *I can write really well. Izach.
- *Makes me feel happy because boys and girls make the games more fun! Lyla.
